## Notice of Funding Availability

### *Notice of the 2011 Universal Pre-Application for the Safe Drinking Water State Revolving Fund*

The California Department of Public Health (CDPH) is pleased to announce the availability of the **2011 Universal Pre-Application** for all CDPH drinking water loans and grants. The Universal Pre-Application is the initial step in requesting funding for projects to correct public water system problems through programs administered by CDPH under the Safe Drinking Water State Revolving Fund (SRF) and future funding programs.

Each pre-application received during the 2011 submission period will be evaluated and ranked by CDPH staff, and incorporated into the project priority list (PPL) for the SRF funding program. The draft PPL will be posted for public review before it is finalized. CDPH anticipates inviting those applicants in a fundable category to submit full applications in the spring of 2012.

The 2011 Universal Pre-Application will be available on-line on July 29, 2011. The link for the site will be as follows:

<http://drinc.des.ucdavis.edu/unipreapp>

**The deadline for submitting your Pre-Application is September 30, 2011.**

The SRF Final PPL reflecting the 2010 pre-applications, is available for public review on our web site at <http://www.cdph.ca.gov/services/funding/Pages/SRF.aspx>

Water systems that previously submitted a pre-application including those submitted during the February 2009 ARRA pre-application period, do not need to be resubmitted. Consult with your local CDPH district office for assistance if you have questions regarding your previously submitted pre-application. A map of the CDPH district offices can be found at <http://www.cdph.ca.gov/programs/Documents/DDWEM/OriginalDistrictMapCDPH.pdf>.

A "Frequently Asked Questions" document is attached to this letter that provides additional information. Please e-mail any questions to our funding program e-mail address below.
